DEPARTMENT OF STATE

[Public Notice 575]

FISHERY CONSERVATION AND MANAGEMENT ACT OF 1976

Applications for Permits to Fish Off the Coasts of the United States

The Fishery Conservation and Management Act of 1976 (Pub. L. 94-265) (the "Act") provides that no fishing shall be conducted by foreign fishing vessels in the Fishery Conservation Zone of the United States after February 28, 1977, except in accordance with a valid and applicable permit issued pursuant to Section 204 of the Act.

The Act also requires that all applications for such permits be published in the FEDERAL REGISTER.

Applications for fishing during 1978 have been received from the Government of Japan, and are published herewith.

Dated: October 28, 1977.

LARRY L. SNEAD,
Acting Director,
Office of Fisheries Affairs.

APPLICATION FOR VESSEL PERMITS TO FISH WITHIN THE FISHERY CONSERVATION ZONE OF THE UNITED STATES

No. _____

In accordance with the provisions of the Agreement between the Government of the United States of America and the Government of Japan concerning Fisheries off the Coasts of the United States of America signed in Washington, D.C. on March 18, 1977 and expect to enter into force this year, the Government of Japan hereby submits this application for permits for vessels under its jurisdiction to engage in fishing for living resources off the coasts of the United States, as defined in the said Agreement, during the year 1978.
